

HOST A TRUNK SHOW

Style your friends with unique handcrafted designs, share the stories and be a part of a growing group of women helping to create brighter futures by empowering artisans, their families and communities.

IT'S THIS EASY!

Get a few friends together in your home and showcase the Tinkered by collection. A Trunk Show is an opportunity for a hands-on, personalised, social shopping experience. They are a casual, fun, no-pressure way for girlfriends to get together, explore accessories and get fashion feedback from friends. The biggest buzz, is that you see how easy it is to make a positive impact on the lives of the creators of the products we showcase.

Step 1. Fill out the form below and email it to info@tinkeredby.com. We recommend contacting us one month before your requested party date so there is plenty of time for the invites and the trunk to be sent. Tinkered by covers all trunk postage costs but we do ask that you provide us with credit card information for jewellery return accountability. Your credit card will not be charged unless the jewellery and party sales money are not returned within 10 days after your party date (to the value of the trunk of jewellery).

Step 2. Make sure you fill out all the details on the form below, so we can send you our personalised Tinkered by invite to send to your guests via Facebook, text or email.

Step 3. The trunk arrives at your home with a selection of bracelets, necklaces, homewares and fun product for the kids. It will also contain copies of our LOOK BOOK, which gives your guests lots of information on how the product was made, who made it and the cost.

Step 4. Plan your party, according to what will work best for you and your friends. Tinkered by Trunk Shows can be anything from an open house in the afternoon, a cocktail hour, a dinner party, or a themed party. Get creative in how you display the jewellery. We have a few examples of simple set up's to inspire you, or you can always ring to talk it through with us!

Step 5. At YOUR PARTY, you will have to record what product you have sold on the 'purchase form' provided in the trunk. You can accept cash or cheques for the products in your trunk - if your guests want to use their credit cards for payment, you can direct them to our website on the night - all they need to do is check out with 'TrunkShow' as a coupon code (then they don't get charged for shipping).

There are two ways to collect the money.

1. *You keep all cash and cheques* - Ask your guests to write their cheque payments out in your name. After the event, you either write a personal cheque out to Tinkered by or you Direct Debit the totals sales amount online.

2. *You collect cheques and cash* - Ask your guests to write their cheque payments out to Tinkered by. After the event send all cash and cheques in a secure envelope back to us with the remaining items in the Tinkered by trunk.
